(Incorporated in Taiwan with limited liability)

★預防詐騙提醒★

香港警務處成立之「守網者」網站推出「防騙視伏器」(Scameter) 搜尋工具及「防騙視伏 App」手機應用程式，協助公眾辨識詐騙及網絡陷阱。

公眾如遇可疑來電、網購賣家、交友邀請、招聘廣告、投資網站，均可利用「防騙視伏器」搜尋引擎或「防騙視伏 App」輸入相關平台帳戶名稱或號碼、收款賬戶、電話號碼、電郵地址、網址等，以評估詐騙及網絡安全風險。

相關資訊請見以下網頁連結：<https://cyberdefender.hk/scameter/>

The banner for the Scameter website features a dark blue background with a grid pattern. At the top left is the '守網者' (Cyber Defender) logo. The main headline reads '每20分鐘就有一宗騙案發生!' (One scam case occurs every 20 minutes!). Below this, a central graphic shows a smartphone displaying the '防騙視伏APP' (Scameter App) with a '立即下載' (Download Now) button. To the left of the phone, a magnifying glass icon highlights the text '收款 帳號' (Payment Account), '平台用戶名稱' (Platform User Name), and '網址' (Website). To the right, another magnifying glass icon highlights '電郵地址' (Email Address), '電話號碼' (Phone Number), and 'IP 地址' (IP Address). A circular gauge in the center shows a needle pointing to the '高危險' (High Risk) section, with other sections labeled '中危險' (Medium Risk) and '低危險' (Low Risk). A QR code is located in the bottom right corner. At the bottom, a white button contains the text '下載「防騙視伏APP」減低受騙風險!' (Download 'Scameter App' to reduce the risk of being scammed!).
