Stay Vigilant Against the COVID-19 Themed Phishing Scams

Dear valued customer：

As "COVID-19 related relief" has been one of the widely observed and rapidly increasing themes of recent phishing scams around the world, gangsters may trick customers into revealing sensitive personal information through fake email, website or texting app link, and take advantage it to commit a criminal act.

We would like to draw your attention that our Branch will never ask for any sensitive personal information such as bank account details, login and one-time passwords or credit card number through phone calls, emails or SMS messages. Should you have any questions, please contact us at (852)2525-9687 ext 214, 228, or 237.

Yours faithfully,

Mega International Commercial Bank Co., Ltd. (Incorporated in Taiwan)
